

PROPOSAL AUTHORIZATION FORM

About the Rural Tech Project

The Rural Tech Project is a \$600,000 challenge to advance rural technology education and prepare students for the careers of today and tomorrow. The U.S. Department of Education invites high schools and local educational agencies to propose technology education programs that use competency-based distance learning. More information can be found at www.ruraltechproject.com.

Schools and Local Educational Agencies (LEAs) that submit program proposals (Phase 1 Submissions) are eligible to win a share of the \$500,000 cash prize purse and advance to Phase 2, the two-year community implementation period. The submission deadline is 5:59:59 PM ET on October 8, 2020.
